CHARTER SCHOOLS

7:45 AM

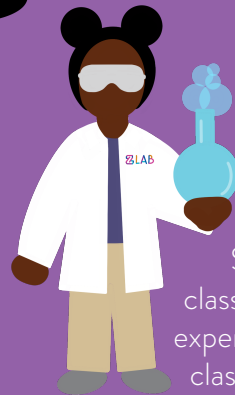

School Day Starts

Every day starts with a morning meeting, where classes come together to check in, set goals, and kick off a great day.

Guided Reading

Teachers work with small groups differentiated by reading levels to provide targeted instruction daily.

Science

Led by a dedicated Science Teacher, each class participates in a daily experiment-driven science class.

Lunch & Recess

Students enjoy lunch and recess as a time to recharge and get active with their friends.

Taekwondo

Students attend one specialist class each day, led by a world-class specialist teacher.

Math Workshop

Teachers lead hands-on, student driven math lessons, increasing student learning and excitement daily.

3:40 PM

Dismissal

Each day closes with an afternoon meeting before teachers dismiss students to their guardians individually.

After School Tutoring

Teachers provide targeted, small group tutoring after-school twice a week.
