4 CHOOSE AND RANK SCHOOL(S)

For every school to which you are applying, you may indicate your interest by ranking all preferred schools to the left of the Zeta school name, where 1 is your preferred school. Do not assign the same number to more than one school. Your application will only be submitted to the schools you rank.

Your child will be entered in the lottery for all schools you've applied to, regardless of ranking. Ranking a school at the top or bottom of the list will not increase or decrease your chances of acceptance into that school. Ranking is used only to assign your child to your preferred Zeta Charter School if he or she is accepted to more than one school. If your child is accepted at more than one school, we will only reserve a seat for your child at the school with the higher ranking.

SAMPLE RANKING:

RANK	SCHOOL
2	Zeta Inwood Elementary
1	Zeta Bronx Tremont Park Elementary
	Zeta Bronx Mount Eden Elementary
3	Zeta South Bronx Elementary and Zeta Bronx 4 Elementary

I am applying for my child to attend (rank all that apply):*

5 SIGN AND RETURN TO ZETA

Admission is determined by a lottery. Admission is not limited based on any factor, but a lottery preference is given to:

- Siblings of current or accepted students
- Children of Zeta employees
- Community School District (CSD) residents

There is no fee to apply to or attend a Zeta Charter School. If you sign below, you are permitting Zeta Charter Schools and its schools to use your child's school records for data collection and analysis. No personal information is ever disclosed in these studies. Consenting to future studies, or not consenting, does not affect your child's chances of being admitted. Review carefully before submitting and confirm all of your information. Answer all questions, as blank fields may result in an unprocessed application. By submitting this application, you are confirming that all of the information you provided is true to the best of your knowledge and understand that admission may be revoked if information provided is inaccurate.
